**DECLARATION FOR PATENT APPLICATION**

I, Alex V. Evonitz, III, hereby declare:

- I am a citizen of the United States of America and that my residence and mailing address is: 22 Harris Drive, Carbondale, CO 81623, USA.

I believe that I am the original, first, and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled "Breathable Air Pressurized Safety Helmet" and;

- as originally entitled "Breathable Air Pressurized Safety Helmet" the specification of which was filed as United States Application Number 60/245,906 filed on November 3, 2000;

of which I hereby claim the benefit of and priority under pursuant to 35 USC 119, 120, or 365.

I hereby declare that the above specification is intended to include disclosure or claims directed to, individually or in combination: embodiments of the invention which may encompass a device, apparatus, method, process, or business method; embodiments of the invention which may encompass permutations or combinations of any aspects of the invention; any aspect of the invention conceived or developed as separate inventions; and any aspect of the invention independent of any initial context considered as preferred embodiments. I also authorize and support this application for patent protection in the United States, and for similar protection in foreign countries, each to be sought to the extent or breadth any owner desires or deems appropriate.

I hereby state that I have reviewed and understand the contents of the specification entitled "Breathable Air Pressurized Safety Helmet," including any claims.

1005723-01802

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
